9:20 am A Time for Missions

Women have that certain something – the spark, the drive, the determination – whatever you want to call it to get things started. Mission work is just one example of this. Listen to examples of women within our congregations speak and share on what they are doing currently as well as how easily attainable mission work can be in other churches.

Laura King: Living Creatures Ministry

Overwhelmed. Isolated. Weary. If you've felt any of these emotions in the past couple of years, chances are someone else in your community has too. What if you could take the time to show them that you care, to let your light shine, and to begin building a relationship that can lead them to the peace that only Jesus can give? Learn how the Living Creatures Ministry program can help your congregation use therapy animals to show love and compassion to sin-sick souls in your community.

Nicole Raboine: Revelation Wellness

Romans 12:1 "Therefore I urge you, brothers and sisters, in view of God's mercy, to offer your bodies as a loving sacrifice, holy and pleasing to God - this is your true and proper worship." (NIV) How do you worship God? Where do you stand with His mission of spreading the gospel for His Kingdom? Where do you see or hear God calling you? Nicole will share her journey and how God brought fitness and movement, as well as wellness to share the gospel.

10:30 am A Time for Strong Women – Keynote Speaker

Esther 4:14 "You were born for such a time as this" (NIV), tells us that Esther was created to be in that place and at that time. What about you?
